## Ticket and prices

The option, which we recommend, is to buy a ticket via your contact-less bank credit card inside a tram or a bus/ trolleybus. It is cheaper (16 CZK) and that ticket is transfer. If you would like to buy a ticket in advance, tickets are available in tobacco shops (price 18 CZK, no-transfer) or you can also buy tickets at the driver in vehicles (price 30 CZK). Transport tickets must be validated as soon as you get on a tram or a bus/ trolleybus in the ticket machine.

In case you want to look for another connection, either use this page: <https://jzdnirady.pmdp.cz/> or google maps works too for finding connections.
